PURPOSE: MODS applications obtain personally identifiable information (PII) from an individual so that key military personnel can assess the state of the individual’s health before possible deployment outside the United States, its territories and its possessions. This could be part of a contingency, combat, or other operation; or to assist health care providers in identifying and providing medical care to the individual. The information provided may result in a referral for additional health care that may include medical, dental, behavioral, and/or diverse community support services.

ROUTINE USES: In addition to those disclosures generally permitted under 5 U.S. 552a(b) of the Privacy Act of 1974, as amended, the DoD “Blanket Routine uses” under 5 U.S.C. 552a(b)(3) apply to this collection (<http://dpclo.defense.gov/privacy>). Medical readiness information collected from you may be shared with other Federal and State agencies and civilian health care providers, as necessary, in order to provide necessary medical care and treatment and to guide possible referrals. For those providing information in order to manage a MODS application user account, user information will be stored separately and is only used to support a user’s continued access to MODS applications.

DISCLOSURE: Medical readiness information is voluntary. However, if you chose not to provide information, comprehensive healthcare services may not be possible or administrative delays may occur. **HOWEVER, CARE WILL NOT BE DENIED.** For those providing information in order to manage a MODS application user account, you must provide sufficient information so that an account can be created, or else you cannot be granted a user account.

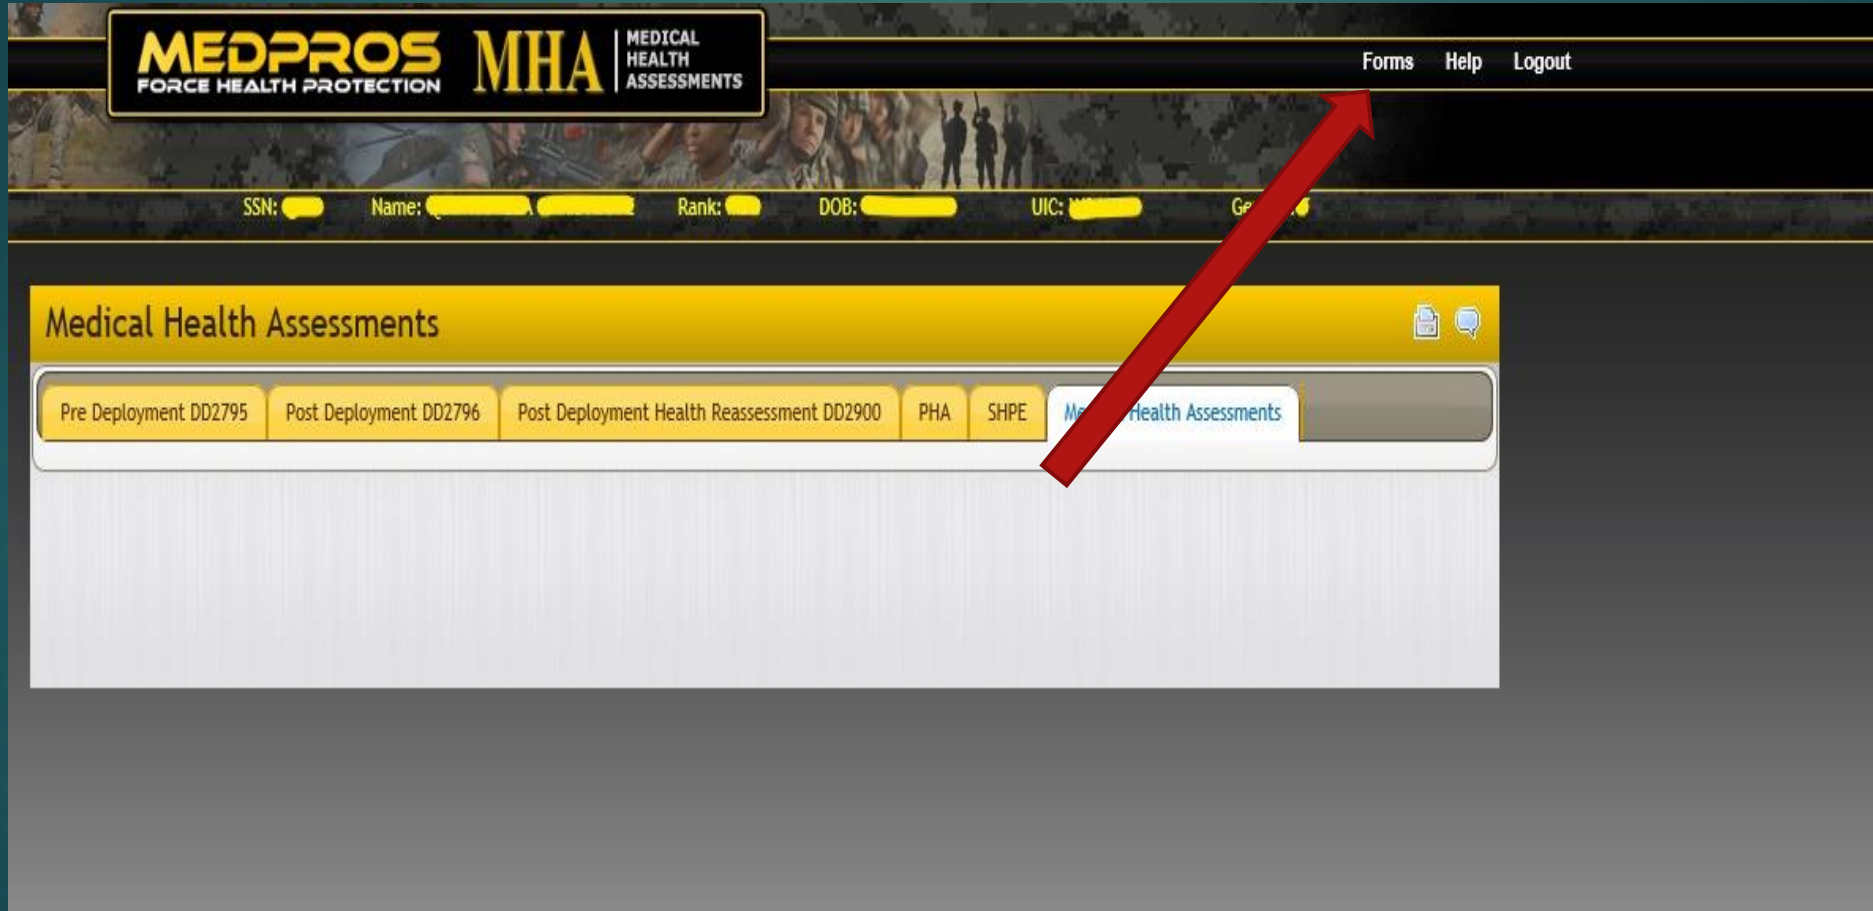

Once you have click twice on the blue “Agree” tabs, this page will display, be patience.... It takes a few seconds for the Assessment page to display , **Do Not** refresh page.

PRIVACY ACT STATEMENT

This statement serves to inform you of the purpose for collecting personally identifiable information through the DD Form 2795 (Pre-Deployment Health Assessment).

AUTHORITY: 10 U.S.C. 136, Under Secretary of Defense for Personnel and Readiness; 10 U.S.C. 1074f, Medical Tracking System for Members Deployed Overseas; 45 CFR Parts 160 and 164, Health Insurance Portability and Accountability Act (HIPAA) Privacy and Security Rules; and E.O. 9397 (SSN), as amended.

PURPOSE: To obtain information from an individual in order to assess the state of the individual's health before possible deployment outside the United States, its territories and possessions as part of a contingency, combat, or other operation and to assist health care providers in identifying and providing present and future medical care to the individual. The information provided may result in a referral for additional health care that may include medical, dental, or behavioral health care or diverse community support services.

ROUTINE USES: In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act of 1974, as amended, the DoD "Blanket Routine uses" under 5 U.S.C. 552a(b)(3) apply to this collection. Information collected from you may be shared with other Federal and State agencies and civilian health care providers, as necessary, in order to provide necessary medical care and treatment and to guide possible referrals. For additional information see: http://dpclo.defense.gov/privacy/SORNS/blanket_routine_uses.html

DISCLOSURE: Voluntary. If you chose not to provide information, comprehensive healthcare services may not be possible or administrative delays may occur. **HOWEVER, CARE WILL NOT BE DENIED.**

NOTIFICATION: Pursuant with Section 702 of the FY 2012 National Defense Authorization Act, information derived from mental health assessments may be shared with the Department of Veterans Affairs in order to ensure continuity of mental health care and treatment during the transition from health care and treatment provided by the Department of Defense to health care and treatment provided by the Department of Veterans Affairs.

INSTRUCTIONS: You are encouraged to answer all questions. You must at least complete the first portion on who you are and when and where you deployed. If you do not understand a question, please discuss the question with a health care provider.

At the bottom right of the main content area is a "Next" button. At the bottom left of the page are two buttons: "Print Record" and "User's Form List".

- Once you have completed your Pre Deployment Health Assessment survey, it will stay as pending or incomplete, that is because Medical SRP provider will review and sign off the assessment you previously completed when you go through your medical validation at your assigned CRC Location. Ensure to log off, once you are done. Below page will display.
