
If no internet explorer available you can access through EDGE and/or Google Chrome. Sometimes this web browser seem to work best.
Once you logged in with your credentials:

- MHA will ask you to log in twice. Scroll all the way to the bottom of the page; there you will see the “Agree” tab. Click once, page will reload a second similar page, scroll again all the way to the bottom, there you will see the second “Agree” tab, click again.
Once you have click twice on the “Agree” tab, this page will display, be patience…. It takes a few seconds to display the assessment page, do not refresh page.
Once the Health Assessments page displays: You will click on the “Pre Deployment DD2795” tab
• Once on the Pre Deployment DD2795 tab, this section will populate, and the option to start a new survey will be available at the bottom. Click on the “Start New Survey” tab, to initiate your new survey.
First page will be routine instructions, click next to continue. Each page has series of questions, answer to the best of your knowledge. Once you have completed your assessment, ensure to print a copy for your records. You can also save as PDF file and mail it to yourself.
Once you have finish with your Pre Deployment Health Assessment survey, it will stay as pending or incomplete, that is because SRP provider will review and sign off the assessment you just completed when you go through your medical validation at your assigned CRC Location.

“Don’t Forget to print a copy”.
