

MIDDLE EAST DISTRICT SAFETY HIGHLIGHT

WHO: Kevin Raposa, Transatlantic Middle East District, Construction Safety Manager

WHAT: Met with USACE personnel and contractors in Saudi Arabia.

Kevin Raposa trip to Saudi Arabia was to discuss safety and health with the USACE personnel and contractors there.

Raposa conducted EM 385-1-1 Safety and Health awareness training on the top hazards and deficiencies found throughout the Transatlantic Middle East District's AOR.

He also conducted site inspections to identify deficiencies and discussed corrective solutions.
