

TAM CELEBRATES ASIAN-PACIFIC HERITAGE

WHO: Transatlantic Middle East District Special Emphasis Program

WHAT: TAM celebrated Asian-American Pacific Islander Heritage Month with a pot luck luncheon event. Special Emphasis Program Manager and Public Affairs Officer Joe Macri opened the event; team member Paul Vecchiet read a passage from a novel he is currently writing that includes historical reference to Japanese internment camps during World War II.

Nearly 40 team members shared Asian and Pacific Island-inspired dishes brought from home or purchased locally. This event has become one of the most popular held each year.
