

CRC / USACE Prerequisite Training Requirements (Afghanistan)

Pre-Validation Training is the individual's responsibility and should be completed prior to arrival at the CRC.

All tasks are required to the prescribed level of learning (i.e. watch a video, view a briefing, successfully complete an on-line quiz, etc.}. If not complete, personal time will be limited. Individuals must bring copies of their certificates with them to the CRC. The CRC will ensure that all necessary training is conducted prior to deployment.
