

CoS Design Checklist

Construction Level

Temporary (up to 60 months)

Semi-Permanent (more than 60 months)

(Check all that apply)

1. ATFP

Mass notification

Hardened

Direct Fire

Indirect Fire

2. Site

Helipad

Storm Water

Site Grading

3. Perimeter Security

Wall

Fence

Electronic

Towers

Kennel

Vehicle Pit

Pass and ID

Pedestrians

Cleared Vehicle Bypass

Security Overwatch

Estimate of Vehicle Capacity _____

Number of vehicles per day

5. Internal Roads

Gravel

Asphalt

Concrete

Sidewalks

Pedestrian Pathways

6. Electrical Power

Frequency _____

Voltage _____

Shore

Generator

4. Entry Control Point

CoS Design Checklist

7. Potable Water

- Shore
- Well
- Delivery
- Storage

8. Waste Water

- Shore
- Leachfield
- Pond
- Waste Water Treatment Plant
- Removal
- Storage

9. Solid Waste Disposal

- Shore
- Incinerator
- Removal
- Storage

10. Communications

- NIPR
- SIPR
- JWICS
- WiFi
- Telephone
- SATCOM
- Other _____

11. Fire Protection

- Fire Station
- Fire Hydrants
- Fire Sprinklers
- Fire Alarm

12. Fuel

- Gasoline
- Diesel
- Storage Days of Supply
- Dispensing
