Contingency Contracting
Joint Engineer Training Conference
SAME, Atlanta
Session 4 - May 6, 2010

Darralyn Williams
Chief of Contracting
Middle East District

The views presented are those of the speaker and do not necessarily represent the views of the Defense Department or its components.
Middle East District Mission

MED provides quality, responsive engineering, construction and related reach-back services on time, within budget and safely to our customers, partners, and stakeholders in responding to military operations, international objectives overseas, and national emergencies.
